benefiting HFD Asst. Chief Domenick Digiovannangelo

SATURDAY, APRIL 30, 2022

5PM - 9PM

GREAT FOOD - BEER - DJ - RAFFLES

51 N. WHITE HORSE PIKE, HAMMONTON NJ

For the last 22 years Domenick Digiovannangelo has been serving the community as a volunteer firefighter with the Hammonton Fire Department.

Earlier this year Domenick was diagnosed with end-stage heart failure and a cancerous tumor for which he is currently undergoing aggressive treatment.

Immediate care will involve the implantation of an LVAD and targeted radiation. A heart transplant will occur in the near future.

As you can imagine this has taken a financial toll on Domenick and his family. Please help us offset some of that burden for a man who has always selflessly been there for others.
